Cobra Alarm Systems - Quick Reference Guide

Cobra is the supplier of many of the world's most advanced standard fit vehicle security systems. Our anti-theft systems are designed and manufactured in Italy at our own state of the art production facilities, exceeding the stringent requirements of the major car manufacturers and the strictest European quality standards.

Cobra vehicle alarms and immobilisers are Thatcham approved and recognised by the UK's major insurers, who may offer a reduced insurance group rating or premium discount.

The range now includes the new Cobra 4600 Series of Thatcham CAT 2-1 wireless alarms which reduce fitting time by around 30 minutes.

Cobra offers a comprehensive portfolio of vehicle security solutions with an extensive range of programmable features.
